

NARRATIVE

THE

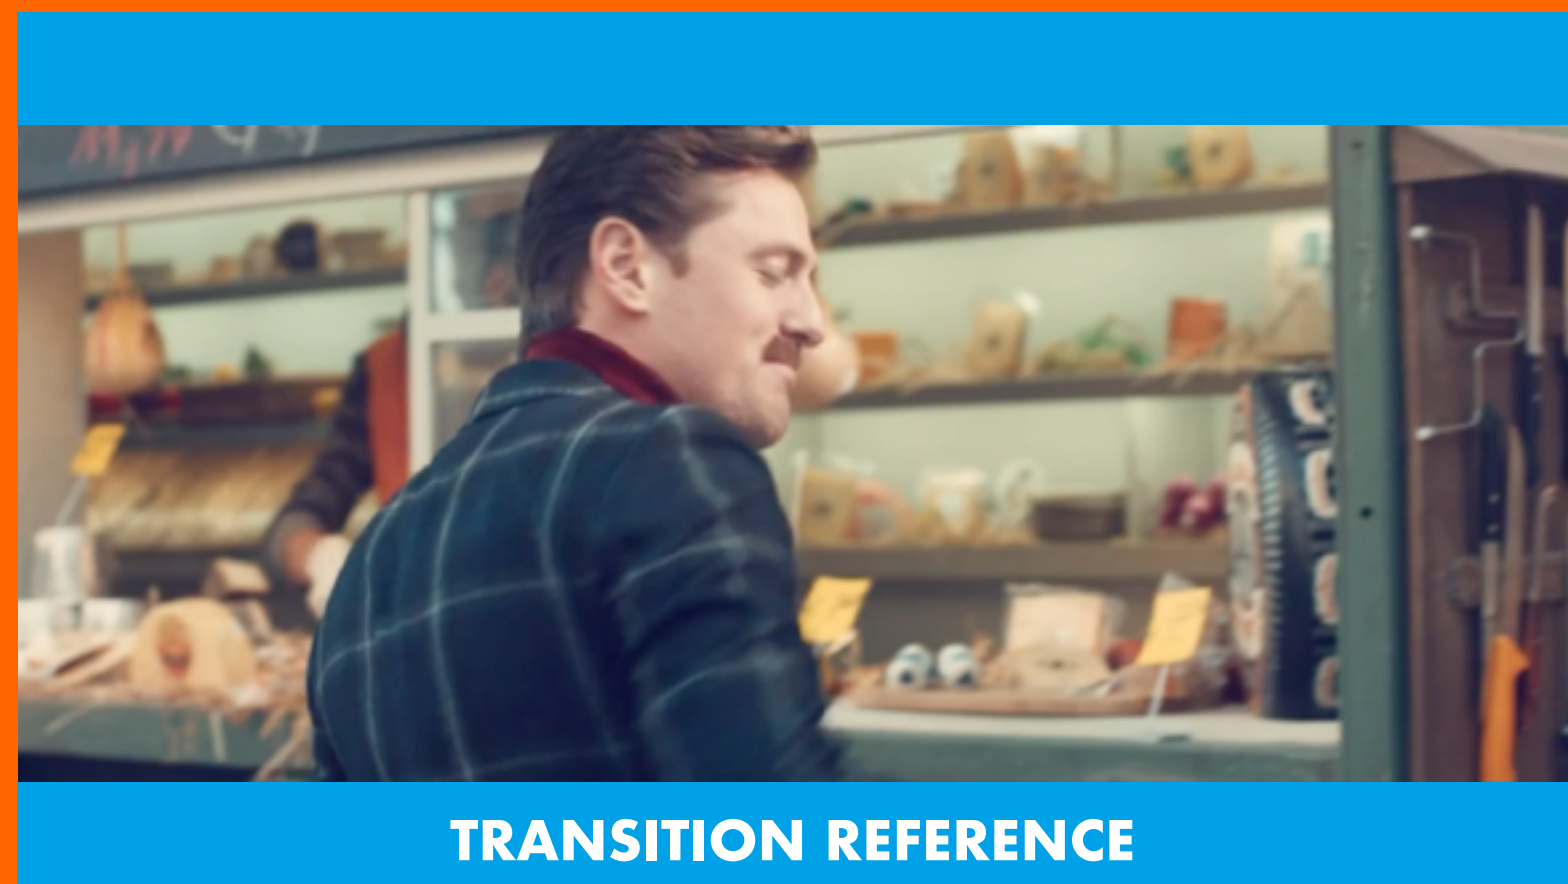

THE

NARRATIVE

The film opens in a familiar, ordinary aeroplane setting. Passengers are seated, and the ambiance is filled with the hum of the engine and conversations. We notice a flight attendant standing confidently at the front. With a warm, welcoming smile, she faces the camera and announces, **"DEAR PASSENGERS... PUT YOURSELVES IN AIRPLANE MODE."** Then, in a playful twist, she tosses her phone aside with a mischievous grin.
